

Breezy Point Weekend August 1-3, 2008 Golfing, Boating, Elvis and the Ski Hawks!

There's so much to do at Breezy Point! Golfing at Breezy Point includes the Traditional Course, with tight fairways and small, fast greens, and the championship Whitebirch Course, which features lots of sand, water, trees and large, fast greens. Breezy's complete Boat Marina provides watercraft such as canoes, kayaks, paddle boats, fishing boats and motors, hydro bikes, plus a fleet of new 20' pontoons. And don't forget the beaches! The beach at Breezy Point stretches the entire length of shoreline, from the Lodge Apartments to the Point. The swimming beach and tanning beach both have bonfire facilities, volleyball and lots of sand. The swimming beach also has horseshoe pits and a huge grassy area for bocce ball and croquet.
